## PROFESSIONAL EXPERIENCE

---

Web Developer

*Jan 2026 – Present*

*Dock Social — Kerala, India*

- Develop and maintain 10+ custom WordPress applications for clients across multiple industries, owning the full development lifecycle from requirement gathering to deployment.
- Build responsive, SEO-friendly websites using Elementor, PHP, HTML, CSS, and JavaScript, improving page load performance by up to 35%.
- Implemented dynamic, reusable content structures using ACF and Custom Post Types, enabling efficient content management and reducing manual updates.
- Optimise website performance, security, and user experience across live client sites.
- Coordinate directly with clients on requirements, revisions, and deployment, providing ongoing application support and troubleshooting.

### **Junior Web Developer**

*Nov 2024 – Dec 2025*

*BTen Techno Solutions — Kerala, India*

- Built and maintained 7+ responsive WordPress websites using PHP, MySQL, HTML, CSS, and JavaScript.
- Converted static HTML/CSS designs into dynamic, reusable WordPress themes, improving development efficiency and maintainability.
- Implemented dynamic content using Advanced Custom Fields (ACF) and Custom Post Types.
- Performed testing, debugging, deployment, and performance optimisation, reducing post-launch defects by 30%.
- Coordinated directly with clients on requirements, updates, feedback, and delivery.

### **Software Developer**

*Aug 2022 – Feb 2024*

*F2C Softwares — Dubai, UAE*

- Developed and maintained backend modules for an Accounting ERP system using C# and the .NET Framework, supporting 100+ business users.
- Designed and built 20+ RESTful APIs to support core ERP functionality and third-party integrations.
- Wrote and optimised SQL queries and stored procedures, improving data retrieval speed by up to 45%.
- Provided application support, bug fixes, and enhancements across ERP modules, improving system reliability and reducing recurring issues.

## **EDUCATION**

---

### **Bachelor of Computer Applications (BCA)**

Kannur University, Kerala, India | 2019 – 2022 | GPA: 8.16 / 10 (81.55%)
